PROLOCKED Security Windows

The last word in window security – ProLocked Window System utilises its unique and cutting-edge internal beading system to make it impossible to remove the glass from the outside.

Features & Benefits

- Internally glazed as standard. More secure than most other systems
- Thermally efficient window design meets BS EN1647:2012 and BS 3632:2015
- Concealed multi-point locking system. Our single handle also allows easier opening and closing
- Latest metal technology – espagnolettes use nano-particles for extreme scratch resistance and corrosion protection
- Fixing system from 38mm up to large wall. Increased depth of coverage on cladding
- Includes a plasterboard adapter
- Bay solution also available
- Choice of 4 foils.
